

Karlsruhe Institute of Technology
Department of Mechanical Engineering (MACH)

Questionnaire to verify qualifications from an undergraduate degree as
prerequisite for the
Mechanical Engineering Master of Science

First name: _____ Surname: _____

Date of birth: _____ Nationality: _____

Qualifying first degree study: _____

Name of university: _____ Final grade: _____

Bachelor's degree standard period of study (in years): _____

Bachelor's degree standard credit points (local credits, no conversion): _____

Annotation:

- **Courses:** In the first two columns, courses that provide the required minimum knowledge for the respective module must be listed. These may come from the bachelor's program or from any other completed or started degree programs.
- **Credits:** The credit points corresponding to the course must be entered in the third column. These must match those in the transcript of records.
- **Page:** In the last column, the corresponding page in the module handbook is requested to allow confirmation of the course content
- In case the number of lines is not sufficient for the subjects attended in one module, a second form can be attached

Basic Theoretical Engineering (Advanced Mathematics, Engineering Mechanics, Thermodynamics)

Course number	Course name	Local credit points	Page in module handbook

--	--	--	--

Basic Applied Engineering (Mechanical Design, Materials Science, Fluid Mechanics)

Course number	Course name	Local credit points	Page in module handbook

Basic Electrical Engineering and Information Technology (Measurement and Control, Electrical Engineering, Mechatronics, Informatics)

Course number	Course name	Local credit points	Page in module handbook

Place/Date/Signature
