

**Karlsruhe Institute of Technology**  
**Department of Mechanical Engineering (MACH)**

Questionnaire to verify qualifications from an undergraduate degree as  
**Materials Science and Engineering Master of Science**

First name: \_\_\_\_\_ Surname: \_\_\_\_\_

Date of birth: \_\_\_\_\_ Nationality: \_\_\_\_\_

Qualifying first degree study: \_\_\_\_\_

Name of university: \_\_\_\_\_ Final grade: \_\_\_\_\_

Bachelor's degree standard period of study (in years): \_\_\_\_\_

Bachelor's degree standard credit points (local credits, no conversion): \_\_\_\_\_

**Annotation:**

- **Courses:** In the first two columns, courses that provide the required minimum knowledge for the respective module must be listed. These may come from the bachelor's program or from any other completed or started degree programs.
- **Credits:** The credit points corresponding to the course must be entered in the third column. These must match those in the transcript of records.
- **Page:** In the last column, the corresponding page in the module handbook is requested to allow confirmation of the course content
- In case the number of lines is not sufficient for the subjects attended in one module, a second form can be attached

**Materials Physics and Metals**

Course number	Course name	Local credit points	Page in module handbook

**Engineering Mechanics**

<b>Course number</b>	<b>Course name</b>	<b>Local credit points</b>	<b>Page in module handbook</b>

**Experimental Physics**

<b>Course number</b>	<b>Course name</b>	<b>Local credit points</b>	<b>Page in module handbook</b>

**General and Inorganic Chemistry**

<b>Course number</b>	<b>Course name</b>	<b>Local credit points</b>	<b>Page in module handbook</b>

---

**Place/Date/Signature**
